PROFESSIONAL EXPERIENCE

YNS PHILIPPINES, INC.   **Makati City, Metro Manila, Philippines**
Software Engineer   **JUNE 2023-Present**

- Contributed to a large-scale project managing garbage collection, contracts, routes, employees, CO_2 emissions, and collection sites.
- Skilled in full-stack development using Laravel, Vue.js, JavaScript, Python, MySQL, Node.js, phpMyAdmin, and Docker.
- Built and maintained complex backend logic for route, site, employee, schedule, and contract management.
- Improved code quality through active code reviews and regular performance optimizations.
- Refactored legacy code to reduce execution time and streamline system processes.

COMMISSION ON HIGHER EDUCATION (CAR)   **La Trinidad, Benguet, Philippines**
Software Developer Intern   **JAN 2023 – MAY 2023**

- Developed a web app for tracking employee leave and managing file documentation, boosting efficiency and transparency.
- Maintained and debugged a scholarship system to ensure secure and reliable operations.
- Handled software installations, upgrades, and seamless integration of system components.
- Supported network administration and resolved IT issues to maintain system stability.

EDUCATION

UNIVERSITY OF BAGUIO   **Baguio City, Philippines**
Bachelor of Science in Computer Science   **AUG 2019 – JUNE 2023**

- Best Research and Best Presenter
- Awards: Cum Laude

UNIVERSITY OF THE CORDILLERAS   **Baguio City, Philippines**
Science, Technology, Engineering and Mathematics (STEM)   **2017-2019**

- Awards: With Honors

KEY SKILLS

- **Programming:** Proficient in PHP, Python, JavaScript, Vue.js, and MySQL; experienced with Node.js and TypeScript.
- **AI & Code Evaluation:** Familiar with debugging, evaluating, and optimizing logic—aligned with model training and assessment tasks.
- **Tools & DevOps:** Skilled in Git, Docker, and Sail for version control, containerization, and local development.
- **Problem Solving:** Strong in diagnosing complex issues, optimizing performance, and ensuring code quality.
- **Agile Practices:** Experienced in Scrum, sprint planning, and daily reporting for effective project management.
- **Code Quality:** Committed to writing clean, efficient, well-documented code with high attention to detail.
- **Languages:** Fluent in Tagalog, English, Iloko, and Kalinga.
